Park Watch Program

Hancock Park District Service Rangers are contacting neighbors and park visitors at area parks for volunteer support to help watch your parks. The “Park Watch” program is similar to Block Watch, both successful in communities where citizens are involved in preventing crime and vandalism. Public safety hazards, littering, nuisances and suspected illegal activities can be corrected sooner when reported as they are detected. Do not get directly involved at the park for your own safety. A call with a detailed description and a vehicle license number will be a great start. You must give your name and address. Thank you for your cooperation.

Rewards Up To \$1000

Citizen reports leading to an arrest and conviction for vandalism and other illegal activities may be awarded up to \$1000 based on the court ordered damages and fines. Take a more active role in your parks by becoming involved in “Park Watch”. You may remain anonymous in the investigation for your safety. Care for these public properties for all to enjoy, help keep them clean and safe.
