Findlay High School

University of Findlay

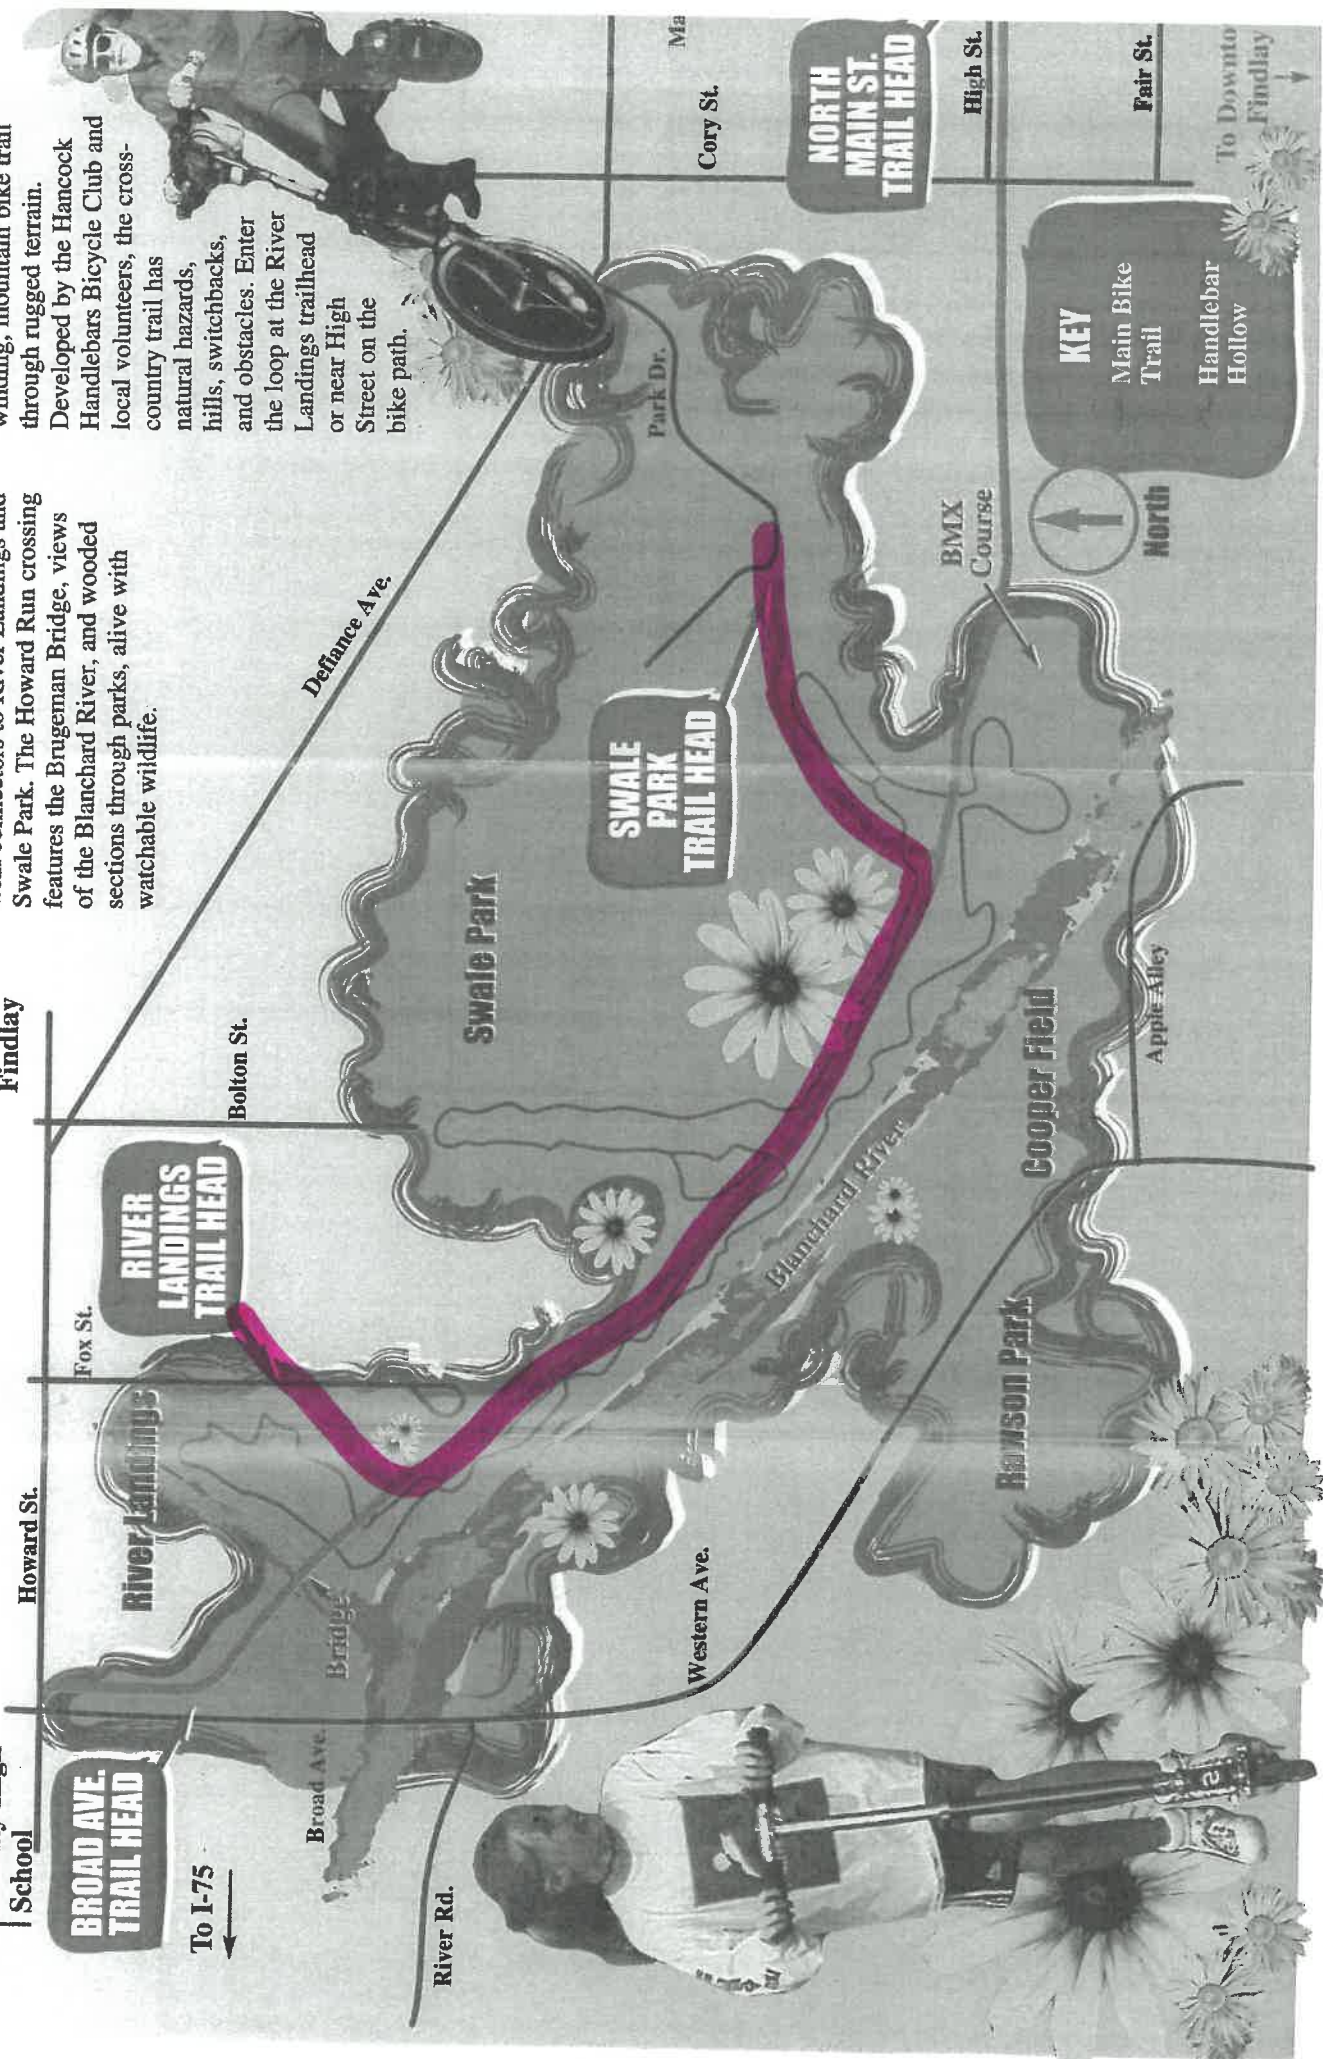

## Handlebar Hollow

Kids of all ages can take the two-mile one-way loop challenge on a narrow winding, mountain bike trail through rugged terrain.

Developed by the Hancock Handlebars Bicycle Club and local volunteers, the cross-country trail has natural hazards, hills, switchbacks, and obstacles. Enter the loop at the River Landings trailhead or near High Street on the bike path.

## Bikepath

Ride a 10' paved bikeway 1.5 miles from Broad Avenue to Main Street, with connectors to River Landings and Swale Park. The Howard Run crossing features the Brugeman Bridge, views of the Blanchard River, and wooded sections through parks, alive with watchable wildlife.
