

## **HANCOCK PARK DISTRICT JOB POSTING**

### **Park Maintenance Technician**

#### **JOB DESCRIPTION**

The park maintenance technician is responsible for handling special projects and repairs; maintaining parks, trails, facilities, buildings, vehicles, and equipment; supporting programs, special events, and services; and implementing the overarching park maintenance standards (safety, cleanliness, function, aesthetics, and customer service).

#### **QUALIFICATIONS**

A Bachelor of Science degree in Park Management, Natural Resources, Environmental Science, or a closely related field, at least two years of relevant experience with park management and hands-on maintenance of parks, trails, facilities, buildings, vehicles, and equipment, and basic construction and electrical knowledge are preferred. However, any combination of education and experience that demonstrates the ability to handle the responsibilities and essential duties of the position will be considered.

The park maintenance technician should communicate in a clear and professional manner both orally and in writing, demonstrate high professional standards and a progressive park management mindset, and be willing to accept new challenges, technologies, and opportunities.
